Should fees remain overdue after this, TMSS reserves the right to cancel the student's enrolment and notify the Department of Immigration and Border Protection (DIBP).

All international students are required to pay Overseas Student Health Cover (OSHC). It is the student's responsibility to check the conditions of this health cover. We can arrange the cover for you should you apply for it in the student application form.

Academic progress is reviewed at the end of every subject and every term. Support is offered to students having difficulty with studies and balancing study and work and living in Australia. However, if the student is breaching course progress conditions and there are no compelling or compassionate reasons, the student may be reported for a breach of visa regulations.

## 8. Course credit (Credit Transfer)

Credit for previous studies may be available on provision and verification of documents at the beginning of a course. Successful recognition of past qualifications may reduce the full course duration and tuition fees, and TMSS will adjust the confirmation of enrolment (COE) accordingly. All students applying for Credit Transfer must provide original transcripts and subject descriptions and fill out a Credit Transfer Form before course commencement. Credit Transfer will not be granted if students submit any of the documents after the first week of course starting date. This process allows participants to be exempt from a particular unit. Students interested in Credit Transfer must contact TMSS prior to enrolment. Applicants will be notified of the outcome of their application within 28 working days of its submission.

## 9. Requests for deferment, suspension or withdrawal from a course

TMSS can only defer or temporarily suspend the enrolment of the student on the grounds of:

Apply in writing to the student service manager, stating name, student number, contact details, program, commencement date and reason for withdrawal. The deferment, suspension or cancellation of the enrolment may affect the student visa as the changes are reported to DIBP. For full details see: <http://www.border.gov.au/>
